LOG 2012

Cruising Award Basics

Cruising points accumulate from November 2, 2011 through November 1, 2012.

60 points are needed to qualify for a year-end cruising award.

30 points must be earned at LPSC sponsored cruises/ functions.

Points must be submitted to the Cruising Director by November 13, 2010

New Rules to be Announced by 2012 Board

The Cruising Award will be revamped in 2012 to better identify and reward members who contribute to the over all success of LPSC by spending time on the water. In the mean time, keep a log of your time on the water now, (with a bit of detail.)

Rules will be announced after the new board has a chance to meet and revise them.

Now, go sailing!
